Bunker Hill Village Offers Internship

Join our Team ... for the Summer!

Based on the success of last year's program, the City of Bunker Hill Village is once again seeking a Bunker Hill College Student to join the City as our ***Summer Intern***. Students working toward a degree in Business, Engineering, Government, Public Relations and /or Public Administration are preferred. As a small city, the projects and experience will be very broad and tailored to the selected applicant. Working hours are Monday through Friday during normal city office hours with some extended days possible for observing City Council Meetings, the City's Municipal Court proceedings, and budget preparation. There will also be an opportunity to assist and participate in the Village's Independence Festival on July 4. This will be a paid position. Interested applicants can provide a resume or request an employment application. The first round of interviews will be scheduled in March and we will work around an applicant's calendar.

For more information, you can contact
