II. JOINT WORKSHOP WITH THE CITY COUNCIL AND PLANNING AND ZONING COMMISSION TO OUTLINE ROLES AND RESPONSIBILITIES AND 2013/2014 WORK PLAN

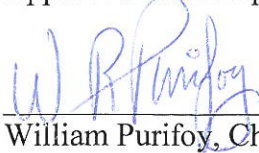

Loren Smith, the City Attorney, had a slide presentation outlining the roles, responsibilities and legal ramifications of the Planning and Zoning Commission. City staff provided all of the Planning and Zoning Commission a binder with the city's current zoning ordinances and for comparison a few surrounding city zoning ordinances.

The City Council and Planning and Zoning Commission discussed the opportunity to review our current Subdivision and Zoning Ordinances and outline areas where improvements or clarity could be made. The commission will come back in September for a workshop discussion. They will continue to work toward a recommendation to the City Council to follow in the November timeframe. Actual adoption of any recommendations would go through the public process in early 2014.
