

## *The City of Piney Point Village*

*7676 Woodway, Suite 300, Houston, TX 77063 Ph. (713) 782-0271 [www.cityofpineypoint.com](http://www.cityofpineypoint.com)*

The City of Piney Point Village will commence its next major drainage project in early January 2016. The City will be installing a large box culvert storm sewer under the Memorial Drive/Blalock intersection, which will greatly improve drainage for Piney Point Village and portions of Bunker Hill. This project is estimated to last 8 months and will impact the traffic flow at Memorial/Blalock. The City will hold two Public Information Meetings to explain the project and the traffic flow plan. City Engineers will be present to answer any questions. All residents are invited to attend.

### **Public Information Meetings**

**November 19, 2015 and December 10, 2015**

7:00 p.m.

Memorial Drive Presbyterian Church  
11612 Memorial Drive  
Houston, TX 77024
